NEXT MEETING: September 5, 2018

In Attendance: Darren, Cory, Carolyn, Lydia, Ronnie, Alan, Eric, Amy, Kelley, Jeanie, Kathy, Laura

Introduction:

Shared where we saw Jesus

- PT Family Fun Night
- Amy Working with the Interns
- ASP watching the crew hang together even when hungry, thirsty, tired. Like the Apostles, welcoming and committed to their mission.
- Amy told about the 6 boys who were at Pine Creek with her (14 went altogether). Seeing them in a different setting and them seeing her. At the closing ceremony in front of everyone, one boy shared what he learned and what he is going to do. Parents say he is a different kid after he returned. Helping his sibs without being asked, etc. Amazing to watch life lessons learned.
- Tyler's book study, Ronnie appreciated the chance to go with theology instead of Social justice for a change.

East 10th Street:

- Josh Beach works 20 hours a week, 10 at NUMC, and 10 at E. 10th. Will help with Adult Ministries at North Church.
- This week East 10th will have guest minister for communion and music.
- Josh starts Seminary in the Fall. (we will help cover during finals)
- Ronnie will be doing a bible study over there. Sept 9 - Sept. 30 at 6PM.

Worship without Walls:

Next Year - June 30th. Ordering the tent, etc. Could do it in Tarkington Park, using the Bandstand. Or could do it at East 10th Street in their Parking Lot. There is parking a few blocks away and around it.

Neighborhood night:

MLK center Race study came, all PT Interns came. Went well. Food was good. Need to take ownership of the Bread and Bowl invite. B&B folks missing.

Movie night - Nice mix of Neighborhood and NUMC

Summer Festival:

Kelley said people had vacations and too hot for older people.

Eric said – We really let it go this year and hoped it would go on its own. No Spotlight on Ministries, less ambition promotion. No groups asked to be involved so no commitment from groups of people to show up or participate.

Must have signage

Worship into Dinner works well

**1. And have the bright
immensities
Received our risen Lord
Where light-years frame the
Pleiades
And point Orion's sword?**

**2. Do flaming suns His footsteps
trace
Through corridors sublime,
The Lord of interstellar space
And Conqueror of time?**

**3. The heaven that hides Him
from our sight
Knows neither near nor far:
An altar candle sheds its light
As surely as a star;**

**4. And where His loving people
meet
To share the gift divine,
There stands He with unhurrying
feet,**

There heavenly splendors shine.
