

United Methodist Women

Calling All Pie Lovers!

North's United Methodist Women have partnered with Hoosier company Wick's Pies to bring you delicious bakery-made pies for your Easter dinner or anytime dessert. Maybe you would like to send a pie to family members because you still are not getting together to eat, but you want them to know you are thinking about them. Maybe you would like to thank a neighbor for shoveling your walk. Maybe you just would like to enjoy the pie yourself!

Seven varieties of already baked and frozen, tantalizing pies are available for just \$9 each (or \$10 each if delivered). The mouth-watering flavors are:

- sugar cream (Indiana's state pie and Wick's bestseller);
- pecan;
- peanut butter;
- German chocolate;
- pumpkin;
- pumpkin spice, and
- coconut cream.

All are 9-inch pies except for coconut cream, which is 10 inches wide.

To order pies to help the North UMW raise funds for its various missions to help women and children, please email [Carol](#) Tiller-Luchtman. If you prefer to phone her or text your order, please contact the church office for her phone number.

When you place an order, please include the number and name of each type of pie desired, your name and address, your cell phone or home phone number, and indicate if you will pick up your pie(s) at the church on Good Friday or if you prefer home delivery to Marion and the surrounding counties.

The deadline to order is **this coming Monday, March 8 for a Thursday, April 1 or Friday, April 2 pick-up or delivery.**

Payment is requested upon placing an order, which can be handled by cash, check or credit card:
