**North's United Methodist Women are selling their famous  
"FRIENDSHIP SOUP MIX" for \$10 this year.**

The container contains the ingredients for a soup that would feed 16 people. The seasonings, lentils, rice, dried onions, etc. are already measured and one only needs to add water. Flavored liquid bouillon and/or meat may also be added to enhance the soup for your taste. The soup mixture could then be frozen in individual containers and lasts for months. Now, is the time to order for holiday gifts for family, friends, and neighbors.

Since the church building is not open on a daily basis, we will have them on the front porch of various members around the city for easy pick up or if one orders 5 soups they will be delivered to your door. If you are unable to pick up your soup, just contact Carol Tiller.

We also have arranged for you to pick up the soup in the west entry or west portico on

**Sunday, October 17<sup>th</sup> and October 24<sup>th</sup> 9:30-10, 10:30-11, or 12:15-12:30**

Please place an order so we will have your soup labeled for you for a quick pick up on your way out the door. Many waited too late last year, and we had already quit making them.

So many non-profit organizations have had reduced funding during this past year and really could use additional help from us.

Please consider supporting our missions around the world; as well as. for our mission projects for our church members and local projects!!!
